DEAR EDUCATOR AND VOLUNTEER,

As you implement JA Job Shadow, we want you to be aware of new, self-guided, on-demand digital resources available to enhance and extend student learning. These bite-size learning activities average 5–10 minutes in length, are highly interactive, and are accessible via computer or mobile device at https://connect.ja.org/work-career-readiness. They may be used:

• As pre-program activities to help jump-start conversation.
• To practice concepts during your JA class sessions.
• As a follow-up for extended learning/practice.

All basic-level resources are available to any user. Intermediate and advanced resources require login (users can access with existing JA login or may self-register). Select the thumbnail image to go directly to the resource.

New resources are added frequently, so check back often. Examples of resources that align with JA Job Shadow include the following:
