JA Volunteer Summit Presenting Sponsorship \$100,000

In March 2025, the Junior Achievement Volunteer Summit will take place in New York City honoring recipients of both the U.S. Presidents Volunteer Service Award and Junior Achievement Gold Leadership Award.

The Volunteer Summit is a prestigious and memorable event that honors and celebrates the extraordinary volunteer contributions of the individuals and organizations who have made an incredible impact on Junior Achievement.

The 2025 Junior Achievement Volunteer Summit will include a luncheon and thought-leadership session at the Westin New York Grand Central designed to highlight and share volunteer trends and engage participants in peer-to-peer conversations around best practices related to volunteerism, successes and challenges shared by their volunteers, their philanthropy goals and how partnering with organizations like JA can address goals and increase impact. During the luncheon and thought-leadership session, recipients of the U.S. Presidents Volunteer Service Award (PVSA) will be recognized on-stage with a representative from JA USA's Executive Leadership.

The U.S. President's Volunteer Service Award is a presidential recognition program created by the President's Council on Service and Civic Participation for individuals and organizations who contribute a significant amount of time to volunteer service. Junior Achievement USA®, as an official certifying organization for this award, has the privilege of bestowing this honor to organizations with a U.S. presence that provide volunteers to teach JA programs anywhere in the world.
