

## LEARNING EXPERIENCE BRIEF

# JA Our City<sup>®</sup>

JA IN A DAY

■ Financial Literacy

JA *Our City* featuring Cha-Ching™ introduces third-grade students to financial literacy and grade-level social studies learning objectives, including how people manage their money and the importance of economic exchange within a city. Dr. Alice Wilder, an award-winning expert on childhood learning (Blue's Clues, Super Why, Cha-Ching, Speakaboos, and Amazon Kids original programming), consulted on the redevelopment of the learning experience.

The JA in a Day model consists of five kit-based, volunteer-led sessions that include primary and secondary objectives from the traditional program. Each JA in a Day session is 35–40 minutes. The JA in a Day implementation model will receive four Instructional Contact Hours upon registration.

## LEARNING EXPERIENCE OBJECTIVES

Following participation in the learning experience, students will be able to:

- Explain the choices people have with money.
- Recognize payment methods and whether they are readily visible or invisible.
- Examine the importance of money to a city and its citizens.
- Describe how entrepreneurial businesses meet the needs and wants of citizens.

## JA'S TURN-KEY VOLUNTEER SOLUTION:

Join Junior Achievement's national network of volunteers and help students in your community connect the dots between what they learn in school and the "business of life"— work readiness, entrepreneurship, and financial literacy.

### 3 Session Three: How Do I Become an Entrepreneur?
