FUTURE BOUND™ By Junior Achievement

Students need a chance to try on their future selves and the resources to make a plan for that future.

Future Bound enables every JA Area to cultivate **community talent**, **showcase talent to the local community**, and **build a network of corporate partners** looking for the connection to talent.

Overview of Competitions

 Junior Achievement™
COY JA Company of the Year Competition

This pinnacle event brings the top 15 JA Company Program teams together in-person for three days of high impact JA experiences. Students will demonstrate their business acumen, creativity and entrepreneurial thinking in a competitive environment—showcasing their companies their peers and business leaders.

 Junior Achievement™
JA SOCIAL INNOVATION CHALLENGE

The JA Social Innovation Challenge is a nation competition in which high school students are invited to submit their innovative ideas for improving and making an impact on their communities. 10 Teams will be selected to compete in person at JA Future Bound.

 Junior Achievement™
JA STOCK MARKET CHALLENGE

The *JA Stock Market Challenge*® introduces learners to the stock market. Participants learn the basics through *JA Take Stock in Your Future*® and apply their learning in a fast-paced simulated stock market environment where each day is only one minute long. Students must make decisions quickly about a set of fictional stocks and interpret current events and trends in the market.

 Junior Achievement™
JA TITAN®

JA Titan is a simulation-based program in which high school students compete as business CEOs in the phone industry, experiencing firsthand how an organization evaluates alternatives, makes decisions, analyzes the outcomes of those decisions, and then strategizes what to do next.
